

## CHAPTER V

### CONCLUSION AND SUGGESTION

After analyzing about the value of *Lopo* in Insana : the writer would like to concluded and give some suggestions as a results of analyzing.

#### 5.1 Conclusion

Based on the results of the research and discussion value of *Lopo* by used people in Tapenpah Village.

Overall, there are 2 types of *lopo* in Tapenpah Village, Insana district, TTU District, namely:

1. Value is the quantification of the relative importance that people place on the changes they experience in their lives.
2. *Lopo* is called a place of residence for man, namely a masculine symbol, a round pole (column) four and a place to store agricultural produce which is the result of male work even though *lopo*, the impression of peace volume feels strong because there is vertical linear elements that format by a column and a shade area in front of a roof.

#### 5.2 Suggestion

Based on the description above the write present some suggestion as follows:

1. For Tapenpah Village Society

For the people Tapenpah Village to several Symbol *Lopo* would become as a place for reception as Man with Family.

- For the Readers

Through this analyzing in this research, both write and readers are able to understand about material.

2. For young Generation

It is important to teach poeples about content of symbol *Lopo* to add the knowledge about oral Literature.

- For the Research

It is hoped the results of this research would because as a source for the next.
