

CHAPTER V: CONCLUSION AND SUGGESTION

5.1 Conclusion

5.1.1 The students' ability in speaking English is at the good level.

They are confused to learn how to speak well because they have not been practice to speak. They just got the theory but don't have time to practice to develop their skill. But some students are good in speaking.

5.1.2 The students problems were the students had much vocabulary, they were confused and didnt know how to pronounced English words,

lackofgrammar,couldnotspeakfluently,andfaceddifficultyto understand what the speakersaid. Furthermore, the studentsinhibit to practicingEnglish speakingand usuallyusedtheir mothertongue.

5.2 Suggestion

Based on the conclusions, the writer would like to suggest:

5.2.1. For the Students

- a) The students should memorize or improve their vocabulary in English.
- b) The students should improve their pronunciation and meaning. they should looking at dictionary or study by watching English movie or listen to English song so it can help them to have better pronunciation.
- c) The students should try to speak in English, even they make mistakes they should speak because mistakes is a lesson to study.
- d) They students should learn more about grammar and try to use the correct grammar when they speak and they shouldhavemoretimetopracticetospeakEnglish,inorderto increasetheirfluencyandminimizetheuseofmothertongue
- e) The students should build confidence to speak in English.
- f) The students should be more creative and have motivation

to learn and practice their English, especially speaking ability.

- g) The students should not feel shy and afraid of making mistakes because they are part of learning.

5.2.2. For the teacher.

To English teacher should be give motivation for the students to learn about English because with good motivation its can make them to learn about English and better to use a good strategy to improve the quality of teaching learning especially in speaking.
